Question 12

FRS is the sole sponsor of this trip and will make all arrangements for travel (lodging, meals, transportation) and will incur all expenses. FRS receives donations from many different companies and individuals that make its programs possible. Some funding is given specifically for educational awareness activities and programming, but it is up to FRS to decide how to use this funding. There have been no direct or indirect requirements on how to use the funding beyond for educational awareness on rural issues (as established in our mission). Further, donors have not been involved in the planning of this trip.
